### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Young's Furniture Manufacturing Company, Inc. with a mailing address of 1701 Needmore Road, Whitesburg, TN 37891. They seek to obtain an air contaminant permit (Division identification number: 32-0157-04/63120) for modification of a woodworking operation #1 located at the same address. This existing operation consists of planers and other woodworking equipment. The requested modification is to remove the condition that references an input limit associated with an open cyclone. Emissions which were previously associated with this cyclone are now processed through a bag filter house. A baghouse is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Hamblen County "Citizen Tribune"-- published once on or before Thursday, December 10, 2009.

The applicant is MI Windows & Doors, Inc. / MI Metals, Inc. with a mailing address of P.O. Box 4490, Clearwater, FL 33758-4490. They seek to obtain an air contaminant permit (Division identification number: 75-0147-00/963190 for surface coating of aluminum parts operation located at 704 12<sup>th</sup> Avenue, Smyrna, TN 37167. This existing operation consists of surface coating, painting, and drying of aluminum parts for home products. This modification request is to add a regenerative thermal oxidized to control VOC emissions from various coating and painting sources. Because of the amount and type of emissions, the use of additional pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants will be emitted by this source. Mr. Robert Benjamin is the assigned Division person.
