

New Source Review newspaper advertisements for construction permit applications, March 17, 2011. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications were published on one of the following dates: March 15, March 16, or March 17, 2011. Public notices are generally published every two weeks. The previous publication of public notices was March 3, 2011.

### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-3-9-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9<sup>th</sup> Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Pentacles II, LLC with a mailing address of 1600 Ponce DeLeon Blvd., Suite 1201, Coral Gables, FL 33134. They seek to obtain an air contaminant permit (Division identification number 65-0052-05, 06/64354) for modification of a Natural Gas Compressor Station located at 545 Brewstertown Road, Sunbright, TN. This existing operation consists of one (1) Ajax 600 hp natural gas-fired engine, one (1) Ajax 360 hp natural gas-fired engine, and two (2) Natco natural gas dehydrators. The engines are used to inject or withdraw natural gas at the Indian Creek Storage Field. The dehydrators are used to remove moisture from natural gas stream. The requested modification is to replace the existing Ajax 600 Hp and Ajax 360 Hp engines with new ones Waukesha H24 and Caterpillar Model G3512-LE. The two existing engines will be retained as permitted backup units. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the *Morgan County News* -- published once on or before Thursday, March 17, 2011.

---

The applicant is Bradley Concrete Co., Inc. with a mailing address of P.O. Box 3022, Cleveland, TN 37320-3022. They seek to obtain an air contaminant permit (Division identification number: 06-0281-01/64347) for construction of a Concrete Batch Plant at 1500 Lauderdale Memorial Highway, Charleston, TN, 37310. This proposed operation would consist of gravel and sand stockpiles, cement storage silos, and associated equipment used to produce concrete. A baghouse and wet suppression would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. D. Wright is the assigned Division person.

For the Bradley County "Cleveland Daily Banner" --published once on or before Thursday, March 17, 2011.

---

The applicant is Bi County Gas Producers, LLC with a mailing address of 10600 Nations Ford Road, Suite 150, Charlotte, NC 28273. They seek to obtain an air contaminant permit (Division identification number: 63-0278-01/64267) for construction of a Generator at 3214 Dover Road, Woodlawn TN, 37191. This proposed operation would consist of one (1) gas spark ignited engine and associated equipment used to produce power. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be

physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Collins is the assigned Division person.

For the Montgomery County “Leaf-Chronicle”--published once on or before Thursday, March 17, 2011.

---

The applicant is Delight Products Company with a mailing address of 1200 Industrial Drive Springfield, TN 37172. They seek to obtain an air contaminant permit (Division identification number: 74-0040-10/64263) for modification of Natural Gas Fired Boilers located at the same address. This existing operation consists of one (1) natural gas fired-boilers and associated equipment used. The requested modification is to replace a 8.37 MMBTU/Hr. gas fired boiler with a 14.65 MMBTU/Hr. gas fired boiler. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are be emitted by this source. Mr. W. Collins is the assigned Division person.

For the “Robertson County Times”-- published once on or before Thursday, March 17, 2011.

---

The applicant is PHG Energy, LLC with a mailing address of 1245 Bridgestone Blvd., LaVergne, TN 37086. They seek to obtain an air contaminant permit (Division identification number: 75-0660-01/64217) for construction of a Generator at the same location. This proposed operation would consist of one (1) gas spark ignited engine and associated equipment used to produce power. An oxidation catalyst would be used for pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. W. Collins is the assigned Division person.

For the Rutherford County “Daily News Journal”--published once on or before Thursday, March 17, 2011.

---

The applicant is S & V Mill, Ltd. with a mailing address of 1497 Prospect – Elkton Road, Prospect, TN 38477. They seek to obtain an air contaminant permit (Division identification number: 28-0123-01/64286 & 28-0123-03/64288) for a Saw Mill and Blank Manufacturing & Wood Waste Grinding Operation located at same address. This existing operation consists of one chain saw, one head saw, three chop saws to produce blanks and an electric kiln to dry the blanks before they are shipped or processed in a dowel machine. The wood waste is grinded using a 1000 HP diesel engine. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source. Mrs. Sarosh Kaiser is the assigned Division person.

For the Giles County *Pulaski Citizen* -- published once on or before Thursday, March 17, 2011.

---

The applicant is Green Plains Obion LLC with a mailing address of P.O. Box 95, Obion, TN 38240. They seek to obtain air contaminant permit (Division identification number: 66-0123-08/64357) for modification of the fermentation process at their facility located at 2098 McDonald Road, Obion, TN 38240. The existing operation consists of process tanks and associated equipment used for fermenting grains. A freshwater scrubber is used for pollution control. The requested modification is for a modification to the freshwater scrubber’s liquid distributor. There would be physical construction. Regulated air contaminants are emitted by this source. Mr. J. Fuss is the assigned Division person.

For the Obion County “Union City Daily Messenger”--published once on or before Thursday, March 17, 2011.

---

The applicant is Canberra Industries, Inc. with a mailing address of 107 Union Valley Road, Oak Ridge, TN 37830. They seek to obtain an air contaminant permit (Division identification number: 01-0178-04/64299) for construction of an Emergency Generator at the same address. This existing operation consists of a diesel-fueled emergency generator. Because of the amount and type of emissions, the use of pollution control equipment is not proposed. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. O. Jacobsen is the assigned Division person.

For the Anderson County “Oak Ridger”-- published once on or before Thursday, March 17, 2011.

---

The applicant is ConAgra Foods with a mailing address of 540 East Broadway, Newport, TN 37821. They seek to obtain an air contaminant permit (Division identification number 15-0001-09/64356) to construct a Granulated Sugar Unloading Operation located at the same address. This proposed operation would consist of a pneumatic conveyor system, and associated equipment used to handle sugar. A baghouse would be used for pollution control equipment. There would be physical construction. Regulated air contaminants would be emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Cocke County “Newport Plain Talk”—published once on or before Thursday, March 17, 2011.

---

The applicant is Hinkle Contracting Company, LLC with a mailing address of P.O. Box 200, Paris, KY 40362-0220. They seek to obtain an air contaminant permit (Division identification number 07-0002-01/64361) for modification of an existing Limestone Quarry Operation located at 2698 North Highway 25, Jellico, TN 37762-4634. This existing operation consists of crushers, conveyors, screens, and associated equipment used to produce crushed limestone aggregate. The requested modification is to add a triple deck screen and three conveyors. Wet suppression is used for pollution control. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Campbell County “Lafollette Press” - published once on or before Thursday, March 17, 2011.

---

The applicant is Rowland Safety and Supply with a mailing address of 87 Miller Ave, Jackson, TN 38305. They seek to obtain air contaminant permit(s) (Division identification number(s): 35-0094-01,02&03/64293,64381 & 64382 for installations of 3 transfer machines with refrigerated condensers used in petroleum dry cleaning operations, the facility is located on 555Hwy 138, Toone, Tennessee,38381. The requested operation is for the approval to emit regulated air pollutants. Mr. Jim A. Attar is the assigned Division person.

For the Hardeman County “Bolivar Bulletin -Times”--published once on or before Thursday March 17, 2011.

---

The applicant is Clabough’s Market & Exxon, with a mailing address of 405 Wears Valley Road, Pigeon Forge, TN 37863. They seek to obtain an air contaminant permit (Division identification number: 78-0186-01/64280) for construction of a Gasoline Dispensing Facility located at the same address. This existing operation consists of two gasoline storage tanks and associated gasoline dispensing equipment. Stage I vapor recovery equipment is used for gasoline emission control. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. Hymelia Craig is the assigned Division person.

For the Sevier County “Mountain Press” - published once on or before Thursday, March 17, 2011.
