

PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received a request for construction of air contaminant source as noted below. The proposed construction is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mr. Barry R. Stephens, Director, Division of Air Pollution Control, 9th Floor, L & C Annex, 401 Church Street, Nashville, Tennessee 37243-1531 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Individuals with disabilities who wish to participate should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such contact may be in person, by writing, telephone, or other means, and should be made no less than ten days prior to the end of the public comment period to allow time to provide such aid or services. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 12th Floor, 401 Church Street, Nashville, TN 37243, 1-866-253-5827. Hearing impaired callers may use the Tennessee Relay Service, 1-(800)-848-0298.

The applicant is Wismarq, Jackson, LLC with a mailing address of 200 Conalco Dr., Jackson, TN 38301. They seek to obtain an air contaminant permit (Division identification number: 57-0010-32/64965) for construction of a Coil Coating Operation at the same address. This existing operation consists of a coil coater, two natural gas fired cure ovens, and associated equipment used to coat and coil aluminum and steel substrates. A thermal oxidizer will be used for pollution control. There would not be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Fuss is the assigned Division person.
