GENERAL INFORMATION

MENUS

We hope you find the enclosed menus helpful but creativity is our specialty! We will be pleased to custom design proposals to meet your needs. **Due to market fluctuations, all prices are subject to change.**

GUARANTEES AND MEETING SPACE

An enormous amount of effort goes into coordinating a successful function, therefore all of the details must be completed and agreed upon in writing at least three (3) weeks prior to your function. Any changes made within three weeks prior to the event, other than the number of people attending (guarantee) will be accepted at the discretion of the park.

The customer agrees to begin the function promptly at the scheduled time and agrees to have all guests, invitees and other persons vacate the designated function area at the agreed upon closing time.

Guarantees are required 72 hours in advance (not to include weekends and holidays). Guarantees must be received by noon on the date due; otherwise, the expected number becomes the guarantee. The number of people you anticipate assigns banquet and meeting room locations. If the attendance increases or decreases, the park reserves the right to change groups, without notification, to a room suitable for the expected attendance or guarantees.

Please be aware, if your signed contract is not returned to the park within the specified time and date the park reserves the right to accept another event on that date.

FINANCIAL ARRANGEMENTS

A 10% deposit is required for all functions and is due 30 days in advance of your function, unless other arrangements have been made. All private meal arrangements must be paid with one check.

In some instances, direct billing may be approved through our Hospitality Manager. All direct billing requests must be in our office 15 days prior to the event for processing and approval.

SERVICE CHARGE, GRATUITY AND TAX

Normal staffing guidelines will be used for your event. In the case of special requests, additional carvers, attendants, servers or other personnel, a nominal fee may be charged.

A gratuity of 18% will be added to the cost of food & beverage. Tennessee state sales tax (plus local tax, if applicable) is required for food & beverage unless the customer supplies a valid Tennessee sales tax exemption form.

FOOD SERVICE

The park is responsible for the quality and freshness of food served to its guests. No food or beverage may be brought into the conference and meeting facilities. **The park specifically prohibits the removal of food from the location of the function by the customer or any of the customer's guests or invitees.**

SERVICES AND LIABILITY

Our sales representatives will be happy to coordinate services such as audio-visual, banquet, conference and meeting set-ups. All meal prices include house linens. There may be additional charges for specialty items not supplied by the park.

All decorations, displays and exhibits brought to the inn must be approved prior to arrival. They must conform to state code, fire regulations and TN State Park Policy. In order to prevent damage to fixtures and furnishings, items cannot be attached to walls, ceilings and fixtures with nails, staples or any other substance. Delivery and storage of materials must not be received more than the day prior to the group's function, unless prior approval by the Hospitality Manager or contract agreement.

The park will not assume responsibility for damage to or loss of items left in the conference and meeting rooms. Liability for damages will be charged accordingly.
