

Tennessee Department of Environment and Conservation Bureau of Environment

Statement of Purpose

Bureau of Environment's Mission

To safeguard human health and the environment for all Tennesseans
by protecting and improving the quality of our land, air and water
for present and future generations

Bureau of Environment's Vision

To make Tennessee a national model of environmental stewardship

Bureau of Environment's Values

We strive to serve the public in a timely, fair and consistent manner; to solve problems through a scientific and evidence-based approach that respects diverse opinions and provides opportunities for input; and to support our people by creating a workplace where employees can achieve their greatest potential.
