Walk with Me Tennessee

About the program:

"Walk with Me Tennessee" is a self assessment tool for cities and counties that focuses on a variety of aspects, including: planning, health and fitness opportunities, infrastructure, connecting community areas and safety. It ranks the community's walkability, and provides pertinent planning information to help communities increase their pedestrian friendliness. Visit www.tn.gov/environment/recreation, complete the Inventory and Self-Assessment and submit to Recreation Educational Services for scoring.

Testimonials:

"We plan to market as a "Walk with Me Tennessee" community and to use this information to expand our walking system through grants and local funding." - **Sevierville Parks and Recreation**

"We will use the status as a "Walk with Me Tennessee" community to help educate about the importance of being a walkable community and what benefits are for them." - **Clarksville Parks & Recreation**
