Register Today to attend the 41st Annual Environmental Show of the South

“The Environmental Show of the South” is the largest and most comprehensive environmental event and trade-show in the South. Our conference goal is to provide low-cost and high quality environmental training and educational sessions to a broad range of environmental professionals.

The conference format and tradeshow provides the ideal setting for networking and learning. Speakers from leading industries, environmental agencies, law firms and service providers will bring you the latest environmental information and technology. The Show of the South offers several environmental topics including: Solid Waste Technical Update, Waste Reduction and Recycling, Hazardous Waste Regulatory Training, Innovative Technologies, Remediation, Environmental Law and other “Hot Topics.”

The Tennessee Department of Environment & Conservation continues its commitment to provide sessions on relevant environmental issues and an enjoyable experience.
