
Teacher Licensure, Endorsements and Praxis Scores, Rule

The Background:

Several endorsements on teacher licenses were recently eliminated, effective August 31, 2007 and 2008. Those revisions are in Board Rule 0520-2-3-.21.

Board Rule 0520-2-4-.05 lists the examinations and required scores for available endorsements.

The list of examinations needs to be updated to reflect the endorsement areas which have been eliminated.

Also, the developers of the PRAXIS examinations have changed the test numbers on some examinations and are gradually changing the scale on their examinations to have a top score of 200 instead of 800. Some of these adjusted scales also need to be reflected in the State Board Rule.

Two new endorsements become effective September 1, 2009:

466 – Gifted Education PreK-12 and

468 – PreK-K (Early Childhood dual endorsement = Gen. Ed./Special Educ.)

This revision provides test requirements for these two previously approved endorsement areas, based on recommendations by appointed task forces.

The Master Plan Connection:

This item supports the Board's Master Plan by measuring the content knowledge of teachers as one way of gauging their effectiveness.

The Recommendation:

The Department of Education recommends that current Rule 0520-2-4 be amended as highlighted in the attachment. Because these changes are merely to reflect prior action and changed scoring scales, the Department asks that this recommendation be adopted on final reading. The SBE staff concurs with this recommendation.

Proposed Rule Revision

Paragraph (5) of Rule 0520-2-4-.05 The Praxis Series: Professional Assessments for Beginning Teachers is amended by deleting the paragraph in its entirety and substituting instead the following language so that as amended the paragraph reads:

- (5) The examinations and corresponding required scores are as follows:
