Austin Peay State University
“Improving Student Outcomes through Professional Development Using Rigorous Non-Routine Problems in the Domains of Algebra and Geometry and Measurement for Mathematics and Special Education Teachers for Grades 6-8
Dr. Gina Grogan

Belmont University
Cooking & Gardening: Strengthening Middle School Math Competencies Across the Disciplines
Dr. Lauren Lunsford

Bethel University
Improving Math by Igniting Reading
Dr. Michael Poore

East Tennessee State University
Reaching for Excellence in Elementary School Mathematics
Dr. Chih-Che Tai

East Tennessee State University
Middle School Mathematics (MSM)
Dr. Ryan Nivens

Lee University
Bringing Life to Mathematics (BLT Math): Teaching Middle School Content Knowledge through Real-World Problems
Dr. Caroline Maher Boulis

Lee University
Elementary Mathematics and Science Connections – $E=MC^2$: Mathematical Modeling through Scientific Inquiry
Dr. Lori West

Lipscomb University
Geometry, Measurement, and Algebraic Thinking for Grades 5-8
Dr. Brandon Banes
Middle Tennessee State University  $74,910
Understanding Progressions, Assessment and Content Knowledge in Mathematics (Project UnPACK)
Dr. Rongjin Huang

Milligan College  $63,088
Putting the Pieces Together: Literacy, Modeling, and Problem Solving for Fraction Instruction (Grades 3-5)
Dr. Lyn Howell

Tennessee Technological University  $74,990
Reasoning with Fractions in Grades 3-5: Focus on Modeling and Writing
Dr. Holly Anthony

Tennessee Technological University  $74,997
Talking Sense: Math Talk and Number Sense in K-2
Dr. Jane Baker

Tennessee Technological University  $75,000
Coding for the Core: Computer Programming & Common Core Middle Grades Mathematics
Dr. Leslie Suters

Trevecca Nazarene University  $75,000
A Rural PreK-16 Mathematics Partnership: Using Student Performance Data to Improve Math Instruction for PreK-8 Teachers
Dr. Suzann Harris

University of Memphis  $74,993
Exploring the “M” in STEM: Problem Solving Strategies and Reading/Writing Connections
Dr. DeAnna Owens

University of Tennessee, Chattanooga  $66,858
Improving Mathematical Content Knowledge and Pedagogy in Middle School Teachers through a Cross-Curricular Hands-on-Field Experience at the Gerace Research Centre
Dr. Dawn Ford

University of Tennessee, Chattanooga  $74,978
Building the Staircase to Algebra through Grade 5 Mathematics
Dr. Deborah A. McAllister
University of Tennessee, Chattanooga  $72,772
Teaching Common Core Mathematics Collaboratively for Regular and Special Education Teachers  
Dr. Kim Wingate

University of Tennessee, Knoxville  $49,200
Mathematical Literacy for English Language Learners (MaLELL)  
Dr. Clara Lee Brown

University of Tennessee, Knoxville  $69,064
Providing Coherence through Focused Content and Rigor  
Dr. Jo Ann Cady

University of Tennessee, Martin  $74,741
Proportion and Ratio in School Mathematics  
Dr. Steve Elliot

University of Tennessee, Martin  $74,892
Project Connect  
Dr. Joyce Swan
