

Academic Affairs Committee  
April 8, 2010 meeting summary

The Academic Affairs Committee met April 8 to gain an overview of the Complete College Tennessee Act of 2010, the Making Opportunity Affordable initiative, College- and Career-Ready Policy Institute Goals, and opportunities for higher education in Tennessee's Race to the Top award. The task of the committee will be to frame recommendations for making fully operational the terms of the CCTA and other policy-related initiatives. The committee also heard the status of the Formula Review, Performance Funding 2010-2015 standards, and the work of the MOA Adult Participation task force. The committee will meet regularly by conference call. For the next meeting, THEC staff will present draft process goals for discussion.
