Re: Amendment to Interconnection Agreement between BellSouth  
Telecommunications, Inc. and BlueStar Networks, Inc.  
Docket No. 00-00202

Dear Mr. Waddell:

On March 9, 2000, BellSouth filed an amendment executed January 27, 2000 to its Interconnection Agreement with BlueStar (the "Amendment"). That Amendment is to be considered by the Authority at its May 23, 2000 Conference.

Since BellSouth and BlueStar executed the Amendment, the terms have been revised pursuant to a subsequent amendment. In addition, the parties have executed other amendments to their Interconnection Agreement. To avoid confusion and to ensure that the filings with the Authority are complete, BellSouth and BlueStar request that the Authority defer consideration of the Amendment. The parties are filing with this letter all of the amendments to their Interconnection Agreement executed since January 27, 2000 (other than the January 27, 2000 Amendment and the Disaster Recovery Plan, both of which have previously been filed with the Authority). The parties request that all of the amendments, including the January 27, 2000 Amendment and the Disaster Recovery Plan, be considered together at the Authority's earliest convenience.

If you have any questions concerning this filing, please call either Guy Hicks or me.

Sincerely,

Michael B. Bressman  
Associate General Counsel
