

## VISITATION GUIDELINES

*Beginning the weekend of Friday, May 29, 2021, visitation for children 10 and older can resume if they are on an offenders' approved visitation list and have a scheduled appointment. Offenders can have up to two children visit at one time.*

Visitation at all locations will resume on April 10, 2021. Visitors must be 18 or older, schedule an appointment prior to each visit and must be on the offenders' approved visitation list. All visitors will be subject to a series of COVID-19 screening questions, temperature checks, and all visitors must wear a mask.

### [News Release – TDOC Resumes Visitation](#)

A maximum of two (2) visitors will be allowed per inmate one day of the weekend and only **one visit per month**. All high-security inmates may visit in a non-contact room only. This visitation plan may be adjusted based on the impact of the virus and visitation demand. If an offender is currently on quarantine, a visit will not be permitted.

*The Tennessee Department of Correction is working with the Tennessee Department of Health to potentially provide vaccines to visitors at our facilities. When making your appointment for inmate visitation, please indicate whether you would be interested in receiving the vaccine. Administration of the vaccine is dependent upon interest and availability. (You can also check vaccine availability at your local health department. No appointment necessary.)*
