VISITATION RULES

1. Visitation for general population inmates is on Saturday, Sunday and state holidays designated by the commissioner from 7:30 a.m. to 2:30 p.m. and Monday 6:00 p.m. to 8:00 p.m. All TDOC/facility handbooks will be available at <http://state.tn.us/correction/institutions/visitation.html>. Visitors will not be permitted on property until thirty (30) minutes prior to visiting hours and within one hour prior to the end of visitation. Inmates who receive a visit on the weekend or holiday shall not be permitted a visit on the special week visitation (Monday evening). This shall apply to the Compound, Annex and Skylab.

Visitors are required to park vehicles in designated parking areas on the institutional lot (between yellow lines). All vehicles must be fully locked and secured. If any vehicle is found to be unsecured, the respective visitor(s) will be instructed to leave the visiting area and the visit will be terminated for the remainder of the day. The warden/designee may impose a suspension of visitation privileges for this violation.

When visiting be advised that from time to time vehicles will routinely be searched at the facility and drug K9s may be used during these searches. In the event contraband is discovered in your possession or inside your personal vehicle or belongings, the contraband will be confiscated and you will be referred to the law enforcement agency for felony prosecution, which is in accordance with TCA-39-16-201. In addition, your visitation privileges will be suspended for six months up to permanent restriction.

You must also be aware that all occupants of the vehicle will be held accountable for any contraband found in the vehicle and/or in the possession of any of the vehicle's occupants. Therefore, the occupants of the vehicles must be aware of the contents of the vehicles they are passengers in; because in these instances, the visitation of all occupants may be suspended.

Finally should you refuse to consent to the search of your personal vehicle or attempt to evade/flee without being searched, your visitation privileges may be permanently suspended from any CCA/TDOC Facility. The occupants of your vehicle must also be aware of this violation because all occupants may also be permanently suspended.

It is illegal to possess the following on state property; alcoholic beverages, weapons such as knives, etc., drugs, any type of medication that cannot be readily identified by being in original containers or producing a prescription. If the immediate family member is still on parole/probation, written permission must be submitted by the parole/probation officer prior to the approval of the application.
