

## 2022-23 Tennessee High School Apprenticeship Training Program Contact Information

### Overview

[Public Chapter 206](#) requires each public high school, including public charter high schools, to designate a teacher, principal, or other school employee to serve as an Apprenticeship Training Program Contact (ATPC) for the school and share this information with the department. Further, it requires the department to compile and publish a directory of all ATPCs to its website.

The information below represents the ATPC information submitted by each public high school and public charter school in Tennessee.
