VCIF Background: What Works for Safer TN Communities

- Planning Question – “What do local LEAs need to combat violent crime?”
 - 3 Law Enforcement Roundtables – Chiefs and Sheriffs from all over TN
 - TN Association of Chiefs of Police
 - TN Sheriff’s Association
 - TN Dept of Safety & TN Dept of Commerce and Insurance
- Results:
 - Violent crime looks different depending on where you live in TN
 - TN’s unique geography and interstate system make it harder to combat trafficking, vehicle theft, firearms offenses, and similar crimes, which often lead to greater violence
 - Meaningful collaboration and engagement is needed with local communities
 - LEAs need skilled, well-trained officers to meet the needs of their communities
