

Proposal Certification

The bidder hereby declares and certifies that it has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with this Proposal or Contract. This is an official document presented in an official proceeding that is required or authorized by law to be made under oath or as an unsworn declaration executed under penalty of perjury of the laws of the United States. A person who makes a false statement in this certification is subject to the penalties of perjury under the laws of the United States.

The bidder further certifies that it is not under the control of any person, firm, partnership, or corporation, which has or exercises any control of any other person, firm, partnership, or corporation, which is submitting a bid on this Contract.
