

SWC# 136 Pest Control Services
Contract Information and Usage Instructions

Contract Period:

This is a three-year Contract running from December 1, 2017 to November 30, 2020 with two optional one-year renewals. If all renewal options are exercised, the contract end date will be November 30, 2022.

Summary/Background Information:

Pest Control Services include the monthly pest control treatments through the Integrated Pest Management Method and premium per request services. SWC 136 Pest Control Services is a multi-vendor award contract with four (4) contractors who provide pest control services in one or more of the counties specified. Monthly service pest control covers mice, rats, and all types of insects to include, but not be limited to: cockroaches, ants (excluding fire ants, crazy ants, and carpenter ants), flies, fleas (inside), crickets, silverfish, ground beetles, spider mites, bees (except carpenter bees), wasps, hornets, yellow jackets, millipedes, centipedes, spider (excluding poisonous spiders) and other stored product type pests. Premium per request services cover termites, poisonous spiders, bed bugs, and fire ants.

1. General Instructions:

Monthly Pest Control Services

Recurring monthly pest control services cover mice, rats, and all types of insects to include, but not be limited to: cockroaches, ants (excluding fire ants, crazy ants, and carpenter ants), flies, fleas (inside), crickets, silverfish, ground beetles, spider mites, bees (except carpenter bees), wasps, hornets, yellow jackets, millipedes, centipedes, spider (excluding poisonous spiders) and other stored product type pests.

For recurring monthly services set-up instructions, refer to the table below. Pay attention to if the locations that you are requesting services for have a line item on contract or if they are not identified on contract. Each situation has detailed instructions in the table below.

Request for Monthly Service Instructions <i>(To setup services please follow the directions below)</i>	
Monthly Recurring: Locations & counties with identified Line Items on awarded contract.	Monthly Recurring: Locations & counties without identified line Items on awarded contract.
<ol style="list-style-type: none"> 1. Determine the Agency county location. 2. Identify the Contractor servicing that county. See the listing of counties serviced under each Contractor's information below. 3. Contact the Sales Representative or Customer Service covering that county and provide them with the SWC 136, the Edison Contract number (identified below.) 4. Request service and provide information regarding schedule of service and onsite protocol. 	<ol style="list-style-type: none"> 1. Determine the Agency county location, square footage and number of food areas the facility has. 2. See the listing of counties serviced under each Contractor's information below. 3. Find the "Cannot Exceed Rate" on the pricing matrix that covers your facility. 4. Contact the Sales Representative or Customer Service covering that county and provide them with the SWC 136, the Edison Contract number (listed below.) 5. Provide information regarding facility square footage, schedule of service and onsite protocol (The supplier may then schedule an onsite visit.) 6. Request service and monthly price (price must equal or be lower than the established "Cannot Exceed Rate" on the pricing matrix.)

2. Awarded Contracts & Supplier Contact Information:

A. David Giles dba Middle Tennessee Exterminating

Edison Contract: NV000000000000000000057039
 Vendor ID: 0000001137

Primary Contact: David Giles
Phone: (615) 405-9485
Email: daext@comcast.net
Address: 104 Savely Court
Hendersonville, TN 37075

	Van Buren	Rutherford	Obion
			Shelby
			Tipton

Monthly Recurring Service Locations:

In the matrix below are the recurring monthly services "Cannot Exceed Rate" for locations in need of pest control services not already identified on contract. These

locations do not have line item identification numbers on the awarded contract and will be "Open Item Reference" when creating a PO.

NOTE: Waynes Pest Control has two (2) "Cannot Exceed Rate" matrices with the identified counties outlined below each table. Recently, there have been additional counties added onto their services so ensure the appropriate matrix table is utilized for the county you are requesting services for.

Example: If there is a location in Putnam County that needs monthly pest control services, and the location is not currently covered in this Statewide contract and does not have a line item. The facility has 5 buildings that are each 2,000 square feet, to equal a total of 10,000 square feet and has 6 kitchens. Refer to the cell covering square feet of 5,001-15,000 and then the cell covering 4-6 kitchens, where this column and row intersect is the pricing \$40.00. The price of the facility "Cannot Exceed Rate" is \$40.00 per month.

3. Premium Per Request Services:

Premium per request services cover termites, poisonous spiders, bed bugs, and fire ants. In the table below, you will find set-by-step instructions on how to request services for per request services.

The table below provides a detailed breakdown by Supplier and associated Regions the Supplier covers for "Per Request Services". If the Supplier is identified in a Region, then a quote must be sent to each Supplier identified. For instance, in Region 2, there are three (3) identified Suppliers who have the availability to do "Per Request Services", so then a detailed quote needs to be sent to the following Suppliers: Middle Tennessee Exterminating*, Waynes and Orkin. The "Cannot Exceed Pricing" for "Per Request Services" are available in the below spreadsheet catalog for all suppliers.

Request Premium Per Request Service Instructions

(To setup services, please follow the directions below)

Premium per request services cover termites, poisonous spiders, bed bugs, and fire ants.

1. Determine which county and region the facility is located in.
2. Determine which Suppliers cover that Region (see chart below).
3. Email each Supplier covering that Region with the specifics of the service needed to include time constraints and areas in need of treatment.
4. Once you receive all quotes and responses from each available Supplier, evaluate each quote and accept the lowest priced Supplier quote.
5. Verify the price quoted is not above the "Cannot Exceed Rate" for that specific service with that Supplier.
6. Request service from awarded Supplier and provide any additional information necessary for their visit.

Example: If there is a location in Lewis County that has a building infested with black widow spiders, Lewis County is in Region 3, covered by Middle Tennessee Exterminating, Gregory Pest Control, Waynes Pest Control, and Orkin LLC. An email will be sent to each of the Suppliers explaining the situation and specifying that there is a need for the entire 7,000 square feet building to be treated. In the email sent to each Supplier, provide a deadline date and time for the quote to be received from all Suppliers. The date and time must be the same for each Supplier to ensure fairness in the quotes being obtained. In addition, add the specific date and time you are needing the services to take place in the email. Once all quotes are gathered, evaluate the quotes received within the deadline date and time. After evaluation of each quote, take the lowest quote and verify that this pricing is the same or lower than the "Cannot Exceed Pricing" provided in the "Cannot Exceed Pricing" spreadsheet.

SWC 136 Catalog
Cannot Exceed Prici

Region 1	Region 2	Region 3	Region 4
Waynes	Middle TN Exterminating*	Middle TN Exterminating*	Middle TN Exterminating*
Orkin	Waynes	Waynes	Waynes
Gregory	Orkin	Orkin	Orkin
		Gregory	

NOTE: Middle Tennessee Exterminating is only authorized to submit quotes to Tennessee Department of Correction (TDOC), Department of Education (DOE), Department of Intellectual and Developmental Disabilities (DIDD), and the Department of Military (DOM) Region 4.

4. Requisition and Purchase Order Generation:

For additional resources please visit TeamTN where you can find helpful Job Aids and Webinars by visiting the following links below:
