Minimum order requirements returnable containers:

Agency shall order 15 gallon returnable containers in increments of 9 containers per product. Product to be shipped on pallets (9 fifteen gallon containers per pallet).

Agency will be responsible for retaining all empty 15 gallon returnable containers and contacting the successful contractor to schedule return of containers. Pick up will be increments of 9 containers on the pallet they were shipped on

The vendor is required to pay all shipping and associated cost for pick-up of the returnables. If containers are not returned to vendor the ordering agency will be held responsible and charged for the cost of the container.

Please Note: There have been a lot of supply chain disruptions for herbicides, specifically glyphosate. This means that Line #1 on Contract 61716 may not be available. Reach out to the supplier to check availability.
