The Emergency Rental Assistance (ERA) program makes funding available to assist households that are unable to pay rent or utilities (click [here](#) to view more information). Key objectives of this program:

- Support urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control
- Assist renters most in need to avoid evictions and secure housing stability
- Alleviate the deep financial distress of countless landlords who rely on rental income to support their families

The Consumer Financial Protection Bureau (CFBP) has multiple tools and resources that can help renters:

- **CFBP's Housing Portal:** Provides step by step instructions to help renters avoid eviction, get rental assistance, talk about repayment, know their rights, and find help.

- **Rental Assistance Finder:** Tool that helps find rental assistance programs per state or territory.

TIPS for TPAES Submitters

- If a PAE is end dated, you cannot 'Revise' the PAE, a new PAE must be submitted.
- When you revise or recertify a PAE, make sure the "Revised PAE Request Date" is the same as the MOPD.
- If you enter an MOPD that is prior to the Medicaid approval date, there is no need to call in a ticket for the MOPD to be changed. We will use the latest date of the PAE effective date, MOPD and Medicaid effective date to enroll the PAE.

Please forward to staff in your company that complete or submit TennCare (Medicaid) PAEs/PASRRs. This contains important information for all TPAES users.
